

WALSINGHAM VILLAGE HALL PHOENIX PROJECT

HELP US BUILD THE NEW VILLAGE HALL!

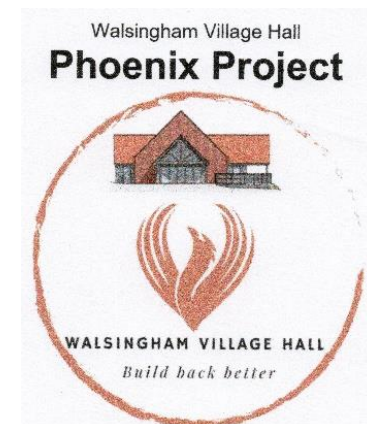

After a devastating fire at the Village Hall in 2023, Walsingham Parish Council hopes to create a 'phoenix' to rise from the ashes. With insurance, fund-raising & grants, our intention is to start the rebuild this summer.

£1 million

GOAL

Bob is busking in support of our fund-raising. Please help us to build a better, more sustainable village hall for the future benefit of the community. (Thank you!)
